GENERAL AGENDA OF WOMEN LEADERS IN LAW

21 SEPTEMBER Location:

20:00 Welcome reception

22 SEPTEMBER Location: Largo de São Domingos, 14 – 1º

9:00 Registration

9:30 Opening speeches

10:15 **“Overcoming barriers to Female Leadership”**

10:30 1st Roundtable on: Role of Women-Leaders in Lawyers’ Profession

In this panel discussion speakers will try to identify the key factors that allow for meaningful representation of women in leadership bodies such as: law firms’ management, executive bodies of bar associations, boards of international lawyers’ organization.

We will listen to amazing stories on the female lawyers’ journeys to leadership.

11:30 Coffee Break

11:45 **What is a perfect age to become the leader of your own life? - speech by a special guest.**

12:00 **“To achieve justice, we need more women-leaders in justice!”**

12:15 2nd Roundtable on the Present and Future Challenges for Women - Leaders in Judiciary.

The speakers will discuss the ideas and possible strategies for the advancement of women in justice systems at the leadership, managerial and other levels. We will also attempt to identify hurdles that prevent women in judiciary to aspire to leadership positions.

13:15 Lunch Break

14:00 **WOMEN - HEROES - speech by a special guest**

14:15 **“The imperative of diversified teams of leaders in the public administration to promote just and inclusive society.”**

14:30 3rd Roundtable on the importance of meaningful representation of women-leaders in the public administration. The speakers will attempt to identify the factors that could help to increase the equal and full participation of women, including young women, in public administration at all levels and will share examples of good practices. We will listen to the presentations on how women in different jurisdictions use their positions to advance development of peaceful and sustainable society.

15:30 **“The Future for Women -Leaders in Law is Bright!”**

15:45 4th Roundtable on the Future of Women-Leaders in Legal Profession.

The speakers will debate on how automation might affect women in legal practice and the likely changes that legal tech (legal technology) will bring to the provision of legal services which could reduce the barriers to advancement that women face in the profession.

We will attempt to determine the future top trends for women in the legal profession and find out how to stand out and become the leader in your field of expertise?

16:45 **Workshop on building the strong personal brand within the legal services market**

17:45 Closing remarks

20:30 Dinner (optional)

23 SEPTEMBER
